Chu Kai Public Company Limited ("The Company") would like to report the Company's operating result of quarter 2/2015 ended June 30, 2015 from the Company's consolidated statement of financial position. The revenue from sale and services was Baht 214.24 million decreased by Baht 84.03 million or 28.17 percent compared to the same period of 2014 which had the said revenue of Baht 298.27 million. The main reason for a decreasing of revenue from sale and service and the above loss was due to the overall economic situation had not yet to recover which caused customers to adopt a wait and see policy during that situation as well as a postponement from government's projects. In a part of service, the new construction project and maintenance plan were also postponed this affect the revenue received was not sufficient to expenses incurred especially expenses on the depreciation.

Please be informed accordingly.
