Chu Kai Public Company Limited ("The Company") would like to report the Company's operating result of year 2015 ended December 31, 2015 from the Company's consolidated statement of financial position. The revenue from sale and services was Baht 864.08 million decreased by Baht 203.60 million or 19.07 percent compared to the same period of 2014 which had the said revenue of Baht 1,067.68 million. The Company's operating result of year 2015 ended December 31, 2015, the loss from sale and services was Baht 45.19 million decreased by 284.31 million or 118.90 percent compared to the same period of 2014 which had the net profit of Baht 239.12 million.

The main reason for a decrease of revenue from sale and service and the above loss was due to the overall economic situation had not yet to recover as well as a postponement of public's projects which caused customers to adopt a wait and see policy following the postponement of these projects. As for services, the new construction project and maintenance plan from various factories were also postponed this affect the revenue received was far too different to what the company has planned earlier.

Please be informed accordingly.

Yours sincerely,
Chu Kai Public Company Limited
